Greek shipping remains important to the maritime economy, constituting approximately 20% of the world’s shipping fleet. This event will not only cover the latest developments and trends in international trade, dry bulk commodities, and the energy markets – framed against the broader backdrop of the global economy – but also review various funding alternatives for raising capital among listed and private shipping companies.

This event provides investors with a comprehensive review of various shipping markets to investment communities in Cyprus. It aims to provide investors with a comprehensive review and current outlook of the various shipping, marine services and offshore markets and in addition, cover topics of critical interest to shipping industry participants, financers and investors.

The thirteenth installment of the Invest in International Shipping Forums is investor-focused event allows a platform for high-level executives and shipping companies to share and examine the shipping markets in light of annual results. Institutional investors and analysts, financial advisors, bankers, financial media, and other qualified investors will be in attendance.

This event is organized in Partnership with Columbia Shipmanagement and Singhai Marine Services. It will discuss the regulatory, geopolitical and industry trends affecting shipping. It will provide a comprehensive review and current outlook of the shipping, financial and capital markets, as well as issues related to shipmanagement, the environment, innovation, and cybersecurity. The Forum will also highlight the role of Singapore and Asia for the global shipping industry.

This event, organized in Partnership with Columbia Shipmanagement and Singhai Marine Services provides investors with a comprehensive review of various shipping markets to investment communities in China and throughout Asia. It aims to provide investors with a comprehensive review and current outlook of the various shipping, marine services and offshore markets and in addition, cover topics of critical interest to shipping industry participants, financers and investors.

This event will be organized in Partnership with Columbia Shipmanagement. The seminar will provide an educational foundation into all major areas of shipping markets, maritime operations, regulatory, geopolitical and industry trends affecting shipping. Participants will gain a comprehensive review of the current outlook of the various shipping sectors, environmental regulations and compliance, the impact of technology, marine insurance, shipbuilding; ship management, financial and capital markets, and topics of critical interest to shipping industry participants, financiers and investors.
This annual event, playing host to 1,000 attendees every year, will not only address the benefits and challenges associated with using closed-end funds (CEFs) and ETFs, but will also present a networking platform for financial advisors, financial planners, institutional investors, fund and asset managers, analysts, other wealth management professionals, and major financial media.

Capital Link continues to support the sustainable development in Greece by promoting and presenting both initiatives from the business side, as well as the activities and needs of NGOs. The conference will present programs and initiatives that foster entrepreneurship and innovation. It aims to present entrepreneurs with a practical guide as to how they can get financing and other types of support for their business plans. It gives them access to initiatives, programs and contacts that can help them in this direction. The Forum combines two sides.

In cooperation with the LSE, this event provides investors with a comprehensive review of various shipping markets to investment communities in the UK and throughout Europe. Shipowners, shipping executives, institutional investors, research analysts, industry experts, commercial and investment bankers, risk advisors, private equity and venture capital firms, high-net worth investors, and financial media attend this London forum every year.

This Forum discusses Best Industry Practices across all areas of operations such as human resources, environment, fleet operations, technology and innovation, safety and security, corporate governance and more. The Forum showcases how implementation of Best Practices translates into financial, operational and commercial competitive advantages.

The New York Maritime Forum (NYMF) is both an investment and an industry conference. The objective of the Forum is to enhance New York’s profile as a place of business to the global maritime industry and especially to global shipping firms and industry participants who do not reside in New York.

This event is organized in Partnership with InvestHK and the Hong Kong Government. It will discuss the regulatory, geopolitical and industry trends affecting shipping. It will provide a comprehensive review and current outlook of the shipping, financial and capital markets, as well as issues related to shipmanagement, the environment, innovation, the impact of technology, and marine services. The Forum will also highlight the role of Hong Kong & Asia for the global shipping industry.

U.S. and Greek businesses and investment communities will discuss the latest trends in the capital and stock markets while covering topics ranging from shipping, information technology, energy, banking, and finance to telecommunications and real estate. This event receives annual support from the NYSE.
