

## ECONOMIC OUTLOOK Shipping Monthly Magazine

The ECONOMIC OUTLOOK Magazine provides comprehensive documentation on Greek Shipping developments.

Born as a maritime magazine in Piraeus in 1983 with 4,000 subscribers throughout the world, ECONOMIC OUTLOOK has always met the ever growing demand for critical information and is considered a complete channel of information on shipping, and is also recognized for its exclusive interviews with highly respected personages and decision-makers in the day to day operation and the future on Greek Shipping.
