A TWO DAY EVENT – 96 SPEAKERS – 35 LISTED SHIPPING COMPANIES

Thursday March 19, 2020

Capital Link is pleased to announce that the **14th Annual Capital Link International Shipping Forum**, organized in partnership with Citi, will take place as a Digital Forum on **Monday, March 30 & Tuesday, March 31, 2020**.

The need for information on market developments is at its highest given the circumstances, and our proactive approach will enable all of us to keep the sense of community, exchange views and information and network online!

Organized in partnership with Citi and in cooperation with NASDAQ and the New York Stock Exchange, this event is known for its large attendance by investors, owners and financiers. It is a meeting place for C-level Executives from the industry and the finance and investment communities involved with shipping. Held in New York City every year, the Forum examines the macroeconomic issues that are shaping and transforming the international shipping markets today.

The Forum has put together an amazing group of industry leaders and experts from all over the world – this indicates everyone’s need and desire to keep the information flow going and to be part of this groundbreaking initiative!

The conference provides a comprehensive review and outlook of the various shipping markets, made more relevant by the release of companies' annual results. In addition, it discusses topics of critical relevance to the industry such as restructuring and consolidation, the various channels and methods of raising capital as well as the impact of new technologies and trading routes.

Registration is complimentary.

KEYNOTE ADDRESS

A NEW DECADE – TACKLING GLOBAL TRANSFORMATION

An outline of major transformations affecting the maritime world. Which technology trends will impact the shipping industry in the next decade? What implications do decarbonization efforts have for different stakeholders? And how are these global transformations affecting the risk picture? All these changes have safety implications that need to be front and center of discussions as we move into the future”.

The keynote remarks will be delivered by **Mr. Knut Ørbeck-Nilssen**, CEO – **DNV GL – Maritime**.

DECARBONIZATION - GREEN SHIPPING - AIMING FOR ZERO SHADES OF BLACK

The reduction of greenhouse emissions is the next challenge which will have transformational impact on the industry. Regulators, fossil and alternative fuel producers, engine manufacturers and shipbuilders, shipowners, charterers, financiers and a wider range of industry participants need to come up with a workable and sustainable framework. The panel will discuss strategies, options and initiatives in this direction as the industry sets out to address the complexities involved.

Moderator: Mr. John Keough, Partner - **Clyde & Co**

Panelists:

- **Ms. Dorota Lost-Sieminska**, Head of Legal Affairs Office - **International Maritime Organization**
- **Mr. Mark O’Neil**, CEO - **Columbia Shipmanagement**

- **Mr. Jefferson Clarke**, Managing Director, LNG – **Poten & Partners**
- **Mr. Mark Kremin**, President & CEO - **Teekay Gas Group Ltd. (TGP)**

ALTERNATIVE FINANCE – IS IT BECOMING MAINSTREAM FINANCE FOR SHIPPING?

There has been an increasing number of new market entrants with different funding sources (from institutional to individual investors) and credit strategies providing a wide range of financing alternatives to large, medium sized and small owners. FinTech platforms enhance the ability of investors and borrowers to connect. Alternative Finance seems quite available – what are the pros and cons for shipowners?

Moderator: Ms. Amanda Brown, Counsel - **Reed Smith**

- **Mr. Zahid Afzal**, Senior Analyst – **LPG, Business Intelligence Team - Poten & Partners**

PRIVATE EQUITY, RESTRUCTURING, M&A, INDUSTRY CONSOLIDATION

Regulatory, technological and market forces have a transformational impact on the shipping industry. Regulation is increasing, charterers and stakeholders in general are more demanding, and there is a need for higher capital investment. Does this lead to restructuring, M&A and industry consolidation? Is there a PREXIT with Private Equity exiting shipping or are we seeing new entrants into selective projects? Can private equity accelerate the industry's transformation?

CORONA VIRUS & ITS IMPACT ON SHIPPING

The section remarks will be delivered by **Mr. Peter Sand**, Chief Shipping Analyst – **BIMCO**

CHINA – GLOBAL ECONOMY – SHIPPING: NAVIGATING BEYOND THE CORONA VIRUS

China has been one of the main pillars of today's global economy and the locomotive for shipping, given the volume of cargo in and out of Chinese ports. Furthermore, Chinese shipyards play a leading role for new buildings, dry dockings and vessel retrofits. While significantly below pre-crisis levels, the pace and volume of activity in China and trading with China is slowly rebounding. The panel, which brings together government officials, financiers, shipowners and shipyards from China will discuss how the Chinese economy and the main stakeholders are navigating out of the current crisis and what lies ahead.
