# Press Release

Leading Industry Speakers to Present at Capital Link's 13<sup>th</sup> Annual New York Maritime  
3 Days – 21 Sessions – Over 90 Speakers

## SHIPPING – IS IT ALL GLITTER AND GOLD?

**NEW YORK, NY, October 11, 2021**

Capital Link will be hosting its 12th Annual New York Maritime Forum as a Digital Forum on Tuesday to Thursday, October 12 - 14, 2021 from 8:30am – 3:00pm EST. The event is organized in partnership with DNB, and in cooperation with Nasdaq, NYSE, NYCEDC and The Port Authority of NY & NJ.

Registration is complimentary.

The Capital Link New York Maritime Forum (NYMF) is both an investment and an industry conference with a double objective:

- To provide an interactive platform for investors, financiers, cargo owners and shipowners to discuss the latest developments in the global shipping, energy and commodity markets, as well as in the financial and capital markets. Also, to address critical topics of the industry such as regulation, technology, innovation and more.
- To showcase and promote the role of New York as a hub for the global maritime community and attract more business to New York targeting a global industry audience.

The conference will feature senior executives from leading maritime companies, financiers and industry participants who will discuss trends, development and the outlook of the various shipping market segments and will also cover topics of critical interest to the shipping industry.

1x1 meetings between shipping companies and institutional investors are available by video and audio conferencing. Please send all requests to [shipping@capitallink.com](mailto:shipping@capitallink.com).

Traditionally the event is held at The Metropolitan Club and welcomes global industry leaders and top-level delegates. The digital format of the event allows for an even larger speaker and delegate roster and caliber.

### **FORUM OVERVIEW AND STRUCTURE**

This event is known for its large attendance by investors, owners and financiers. It is a meeting place for C-level Executives from the industry and the finance and investment communities involved with shipping. The Forum is held in New York City every year and examines the macroeconomic issues that are shaping and transforming the international shipping markets today. This event will be held digitally, for a second year in a row, as conditions do not permit otherwise.

The Forum provides a comprehensive review and outlook of the various shipping markets, made more relevant by the release of companies' earnings. In addition, it discusses topics of critical relevance to the industry such as restructuring and consolidation, the various channels and methods of raising capital as well as the impact of new technologies and trading routes.

Participants can interact live online in real time with Forum speakers and participants from around the globe, obtain the latest industry and market news, and arrange 1x1 meetings.

### **Forum highlights:**

- Presentations/panel sessions will be delivered in real time video format
- Latest industry and financial reports, white papers, company videos, latest presentations and more can be viewed on demand or saved into your briefcase and reviewed at your convenience
- Live networking in real time with speakers, sponsors and participants
