

# 2<sup>nd</sup> Annual Capital Link Decarbonization in Shipping Forum

Wednesday & Thursday, July 20 - 21, 2022  
Digital Conference

## Day 1, Wednesday, July 20, 2022 – London Time

**12:00 – 12:45pm**

### **Alternative Fuels Landscape**

This panel discussion will bring together industry leaders representing organization with pioneering decarbonization activities and exploring different fuel pathways. From Methanol, to biofuels, LNG to Hydrogen and Ammonia we will analyze the fuel options to achieve the IMO's 2030 and 2050 GHG targets. Panelists will provide their unique perspective on the challenges and opportunities related to the adoption, scaling up and required infrastructure, as well as how they see the fuel options evolving.

**Moderator: Mr. Georgios Plevrakis**, Vice President, Global Sustainability - **ABS**

#### **Panelists:**

- **Mr. Mark Cameron**, COO - **Ardmore Shipping**
- **Mr. Bud Darr**, Executive Vice President, Maritime Policy and Government Affairs - **MSC Group**
- **Mr. Modi Mano**, Founder - **MSea Capital**
- **Mrs. Charis Plakantonaki**, Chief Strategy Officer – **Star Bulk Carriers**

**1:00 – 1:45pm**

### **The Complexities Around CII and SEEMP III**

From 1 January 2023, ships of 5,000 GT and above must have a verified Ship Energy Efficiency Management Plan or SEEMP Part III, to document its CII targets. SEEMP Part III a strategic tool to achieve carbon intensity improvements but what's actually involved in SEEMP Part III compliance? This session will explore why SEEMP Part 3 III compliance goes beyond a paperwork exercise, the impacts of port correction and voyage factors and what needs to happen ahead of the deadline.

**Moderator: Mr. Douglas Raitt**, Regional Advisory Services Manager - **Lloyd's Register**

#### **Panelists:**

- **Mr. Capt. Sachi Atmalingam**, Global Director, CHSSE and Sustainability – **AET Tankers Pte Ltd.**
- **Mr. Michael Lavidas**, Managing Director - **Pantheon Tankers Management Ltd.**
- **Mr. Marco Fiori**, CEO – **Premuda SpA**
- **Mr. Loucas Barmparis**, President – **Safe Bulklers, Inc.**
- **Mr. Theo Baltatzis**, Managing Director - **Technomar**

## Day 2, Thursday, July 21, 2022 - London Time

**12:00 - 12:45pm**

### **DESIGNING SHIPS OF THE FUTURE - Technology To Ensure Decarbonization Ship And Society**

"Future Ship Design" is one of the key factors in the overall quest for decarbonization. This session explores the theme from the viewpoints of key

Digital Conference

stakeholders involved in this process, namely shipyards and trading houses, which act both independently and also through partnerships.

**Moderator: Mr. Masaki Matsunaga**, Corporate Officer/Director of Plan Approval and Technical Solution Division – **ClassNK**

**Panelists:**

- **Mr. Takeo Akamatsu**, General Manager, Green Innovation Business Unit - Plant Project, Marine & Aerospace Division- **Itochu Corporation**
- **Mr. Tatsuya Motoi**, Executive Officer - **Kawasaki Heavy Industries, LTD.**
- **Mr. Shin Ueda**, Director - **Mitsubishi Shipbuilding Co. Ltd.**

---

**1:00 - 1:45pm**

**Technology & Decarbonization**

Decarbonization started with very ambitious targets, but also with very different positions IMO, EU, COP26, and others. The management of a very fragmented and fragile decarbonization play of game needs firm and solid positions. Is really digitalization the way and the mean to make decarbonization projects practical, doable and measurable?

**Moderator: Mr. Pino Spadafora**, Marine Commercial, Senior Director - **RINA**

**Panelists:**

- **Mr. Mark O'Neil**, President - **Columbia Shipmanagement**
- **Mr. Salvatore d'Amico**, Fleet Director - **d'Amico Shipping Group**; CEO – **Ishima Pte. Ltd.**
- **Mr. Konstantinos Kyriakopoulos**, Co-Founder - **DeepSea Technologies**
- **Mr. Stamatis Tsantanis**, CEO - **Seanergy Maritime Holdings**

---

**2:00 - 2:45pm**

**Decarbonization: Shipowner, Investor & Charterer - Putting it All Together Industry Roundtable**

Shipowners, charterers and financiers/investors are among the key stakeholders in the shipping industry. Their interaction and cooperation has direct impact on the overall the direction of the industry and on the drive to decarbonization specifically. This Roundtable Discussion will provide the viewpoint of each stakeholder, the issues and challenges they face, and how they can interact and cooperate towards achieving a common objective.

**Moderator: Mr. Arnstein Eknes**, Segment Director, Special Ships - **DNV**

**Panelists:**

- **Mr. John Lycouris**, President – **Dorian LPG**
- **Mr. Richard Sadler**, Senior Board Advisor – **Purus Maritime**
- **Mr. Andrea Olivi**, Global Head of Wet Freight - **Trafigura Group Pte Ltd**
- **Mr. Paulo Almeida**, CIO – **Tufton Investment Management Ltd**
