

4th Annual Capital Link Decarbonization in Shipping Forum

Monday, July 1, 2024
Digital Conference

THE FORUM WILL TAKE PLACE ON LONDON TIME ZONE

Monday, July 1, 2024

12:00 – 12:20 pm **The Recent Changes to the EU Regulatory Framework and their Impact on Shipping**
A 1-to-1 Discussion with the European Commission

The discussion will focus on the adoption of EU Emissions Trading System (EU ETS), and the road ahead to implement FuelEU Maritime in 2025

- **Mr. Ricardo Batista**, Policy Officer – Directorate-General for Mobility and Transport – Maritime Transport Unit – **European Commission**
- **Mr. Dimitris Anassis FCI Arb**, Partner – **Hill Dickinson**

12:30 – 12:50 pm **Shipping and EU ETS: Key Lessons Since Implementation**

With the official implementation of the EU ETS for the shipping sector on 1 January, what are the first lessons to be learnt in structuring transactions & defining your compliance strategy? Learn more from Vertis Environmental Finance's experience and market analysis.

Presentation by:

Mr. Frederic Bouthillier, Head of Shipping - **Vertis Environmental Finance**

1:00 – 1:40 pm **Energy Efficiency: A Pragmatic Approach In Achieving The Decarbonization Goals**

In the evolving landscape of the maritime industry, prioritizing energy efficiency measures emerges as the cornerstone of sustainable decarbonization efforts. With the uncertainty behind fuel availability and certainty of low-carbon fuels cost, improving Energy Efficiency and hence reducing fuel consumption and air emissions becomes beneficial in various aspects. This panel will try to understand the drivers and incentives behind improving Energy Efficiency onboard the vessels while also discussing the views of cargo owners and financing options, featuring representatives from various stakeholders to ensure a holistic view of this pragmatic approach towards decarbonization.

Moderator: Mr. Jason Stefanatos M.Sc, Global Decarbonization Director, Maritime - **DNV**

Panelists:

- **Mr. Fotis Dalmyras**, CEO – **Andriaki Shipping, Co. Ltd.**
- **Mr. Christopher Rex**, Head of Sustainability & Research – **Danish Ship Finance**
- **Mr. Young Chang (James) Shon**, President & CEO - **Hanwha Power Systems Holdings Corp.; Hanwha Power Systems Co., Ltd.**
- **Mr. Pankaj Sharma**, Managing Director – **OneLink**
