AN ACTIVELY SHAPED VALUE-ADD INVESTMENT STRATEGY

Investment Approach

- Understand **deficiencies at property/market level** by analyzing micro/macro fundamentals
- Pick **prime locations** with top infrastructural connections and regional relevance
- Identify **undervalued assets with strong rental growth** and improving valuations
- Select assets of **strong tenant pipeline** with initial vacancy not being a hurdle
- Target **double digit total returns** irrespective of hold-horizon
- Underwrite at **conservative gearing ratios** and prudent exit values
- Increase **office and logistics** portfolio weights
- Form clusters where possible to enable tenant synergies and increase pricing power
- Focus on large **asset deals** and sizeable portfolios

Our competitive advantages

ADDING VALUE THROUGH ASSET MANAGEMENT EXPERTISE

Asset Management Approach

- Full potential of **value creation** by using in-house market, legal and technical expertise
- **Conversion of assets** to create flexible workspaces and maximize tenant alternatives
- **Invest capex** prudently to absorb spot rental demand
- Engage in regular **one-on-one tenant meetings**
- **Structure flexible leases** to increase income and exit liquidity
- Focus on high profile and **credible tenants**
- **Divest** from assets no longer meeting our expected returns and recycle the proceeds into new investments for portfolio optimization
