

# 3rd Annual Capital Link Decarbonization in Shipping Forum

Tuesday & Wednesday  
July 11 & 12, 2023  
Digital Conference

THE FORUM WILL TAKE PLACE ON LONDON TIME ZONE

## Day 1 – Tuesday, July 11, 2023

12:00 – 12:20 pm

### EU ETS FOR SHIPPING: Getting Ready To Ride The Wave And Master Your Compliance Plan

*Explore the implications of the inclusion of the maritime transport in the EU Emission Trading Scheme (ETS) as from 2024. Frederic Bouthillier, Head of Shipping at Vertis Environmental Finance, will dive into the significant impacts that EU ETS will have on the shipping industry and its stakeholders. We will explore the legislation's key features, the EUAs market's carbon price drivers, and guide you through the preliminary steps to be taken to develop a compliance and trading strategy. Join us to learn how EU ETS is shaping the future of shipping, driving emission reductions, fostering innovation, and creating economic opportunities!*

**Presenter:**

**Mr. Frederic Bouthillier**, Head of Shipping - **Vertis Environmental Finance**

12:30 – 1:20 pm

### Navigating the Waves of Change: Shipping in the EU ETS Era

*In this dynamic panel session, we delve into the transformative integration of shipping into the European Union Emissions Trading System (EU ETS), set to commence in 2024. With the urgency to price carbon in the shipping industry and the broader EU ETS context, our panel of experts will explore the diverse perspectives of regulators, industry stakeholders, and the global economy. Join us as we navigate the challenges and opportunities presented by this significant regulatory shift, and gain valuable insights into the implications for businesses, European regulations, and the wider global economic landscape. This thought-provoking discussion will set the stage for a sustainable future for shipping within the EU ETS framework.*

**Moderator: Mr. Georgios Kasimatis** - Director of Regulatory Affairs - **DNV**

**Panelists:**

- **Ms. Fotini Ioannidou** Head of Unit, Directorate-General for Mobility and Transport - **European Commission**
- **Mr. Stamatis Tsantanis**, Chairman & CEO – **Seenergy Maritime Holdings Corp. (SHIP)**; Founder, Chairman & CEO – **United Maritime Corporation (USEA)**
- **Mr. Frederic Bouthillier**, Head of shipping- **Vertis Environmental Finance**
- **Ms. Mette Asmussen**, Lead, Maritime Sector Initiatives - **World Economic Forum (WEF)**
