Changes on Disbursement of Funds

To streamline the MCF-SC claim process for TSPs and course participants, the scheme will be administered on a nett fee basis by April 2022. TSPs administering courses approved under MCF-SC are required to charge nett fee, i.e. full fee minus MCF course fee funding, to eligible course participants.

It means the eligible participants will pay a net course fee after MCF grant directly. There disbursement of funds will be reimbursed to the training provider directly. We seek your kind cooperation to submit the application form on time. Thanks.
